

# Our E-Z Pull<sup>®</sup> EMT is now "Twice as Nice"

## Allied Tube and Conduit E-Z Pull<sup>®</sup> EMT Now available in 20' Lengths

### Features and Benefits

- Cut installation times in half
- Saves on material costs as installations require 50% fewer couplings
- Longer lengths provide straight & true conduit installations
- Available in sizes: ½" - 4"
- Made in America

Trade Size		Outside Diameter <sup>1</sup>		Nominal Wall Thickness		Approx Weight Per 100 Ft. (30.5M)		Bundle Quantity
